Pray for shalom in Yerushalayim; may those who love you prosper. - JESUS/YESHUA/ישוע means salvation, the peace/shalom Jerusalem needs! -

שבת BIBLICAL SABBATH, day of holiness and rest observed by Jews from sunset on Friday to nightfall of the following day. The time division follows the biblical story of creation: "And there was evening and there was morning, one day" (Genesis 1:5). **Weekly observance** begins with candle lighting Friday evening before sunset & ends Saturday at nightfall. In Jewish homes the woman of the house lights white Sabbath candles before sunset on Friday evening and pronounces a benediction. The Sabbath meal that follows is preceded by the Kiddush (blessing of sanctification). **SHABBAT SHALOM** *Blessed are you ADONAI our God, King of the Universe who sanctified us by your Word, & commanded us to be a light for the nations & gave us YESHUA/Jesus our Messiah, the light of the world.*

THE MESSIAH

YESHUA - ישוע - JESUS

Blessed are You **ADONAI אֲדֹנָי** (Ahdohni), who has given us the way of salvation in Messiah **YESHUA** (YEH-SHOO-AH/JESUS). He walked among us filled with your Spirit, the only one who ever fulfilled your Torah (instructions). He healed the sick and raised the dead. Multitudes of our people sought His touch. He taught as no man taught. With authority, He brought forth the treasures of the Torah. How the children sought Him, the lepers He touched and made clean! How the despised and outcast found love and release from their sin! How the hypocrites feared Him whose words uncovered their sin! Despised and rejected, acquainted with grief, He bore the sins of Israel. All we like sheep have gone astray, turned every one to his own way. Our iniquities were laid upon the King, the sins of the world, His burden to bear. He rose from the dead and opened the way to life everlasting, praise His name. We are in Him, His Spirit empowers; new life is ours with joy and peace. Blessed are You **ADONAI אֲדֹנָי** our God, Who has given us Messiah **YESHUA** our King. **Romans 1:16-17**
