MENORAH מְנוֹרָה - MENORAH MINISTRIES -

Is a Non-profit 501 [c] [3], tax exempt corporation registered in the State of Colorado. It is overseen by an independent Biblically conservative board of directors which has full and final authority overall corporate assets, personnel and affair. As a nondenominational "front-line" evangelical faith ministry we believe that each Christian should support their local church and then support faith ministries, like ours, as they are led by God.

A WILL: IS IT NECESSARY?

Someone has determined that an average person spends more than 97,000 hours building and putting together an estate. The same person spends less than four hours determining the disposition of his or her estate.

If you need a will or need to update the will you already have, do so now. A few minutes of planning can make a world of difference for those you love - family, friends and charities. You can invest in Israel and make a lasting contribution to the spiritual return of the Israeli people to their God and His Lamb until the Messiah Yeshua returns.
