

***MOST
JEWISH MESSIANIC
CHRISTIANS LIKE
BEING JEWISH!***

We never chose not to be Jewish. In fact, JESUS helps us to understand our Jewishness!
He is our Rabbi. No Jew ever had a better one!

***...not only that...
GOD approves of our belief in
JESUS!***

*He would like more Jews and
Gentiles to believe.*

No one is ever born a Christian. (At least, no one is born from his father and mother as a Christian.)

The **ONLY WAY**
to be born a Christian is to be
BORN AGAIN!

That's not from parents but
from **GOD.**

Everyone is born as either a Jew or a Gentile.
Then we receive Jesus as our sin bearer and
RISEN LORD.

If you are doubtful,
ask **GOD Himself.**
He will show you what is
TRUE.

TRUST GOD!

Believe Jesus
and one day you too
will rise from the grave into
eternal life with God!

Jeremiah 29:11-13

יהוה Psalm 1

**IS IT TRUE
JEWS
DON'T
BELIEVE
IN
JESUS ?**

Who says:
"Jews don't believe in Jesus?"
Some do.

WE DO!!

AT LEAST A FEW OF US
BELIEVE.

Some might say,
"Most Jews don't accept Him
as Messiah."

BUT

Since when has truth been
determined by a majority
vote?? (Try voting with a
majority that the sun will rise
an hour earlier tomorrow
morning — then watch for it
to happen.)

Most Gentiles haven't really
accepted JESUS either!
Even many good church
members who are very, very
religious don't really
BELIEVE!

**JOHN
3:10**

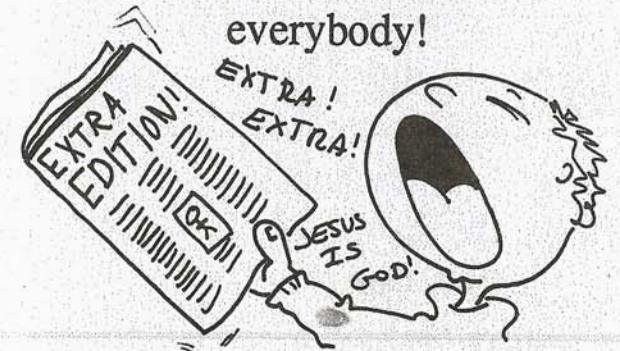

Only a *FEW* Jews and a
FEW Gentiles really believe.

And we have great joy and
fellowship in the company of
Yeshua! (Jesus in Hebrew)
You can only believe when
Jesus comes into your life.

*He will, if you are willing for
Him to become your*

**LORD
AND
SAVIOUR!**

We know that
HE IS THE MESSIAH!
and it makes us so
VERY HAPPY
that we want to tell
everybody!

Is there anything that makes
YOU so happy to believe that
you want to tell everybody?

Some say:

*"When a Jew comes to
believe in Christ,
he's not a Jew anymore!"*

*I wonder if
I'll lose my
curly hair?*
